San Francisco Bay Water Quality Improvement Fund: The 2017 RFP for the San Francisco Bay Water Quality Improvement Fund ([SFBWQIF](#)) will be released on March 28th. The RFP is soliciting proposals for projects to restore wetlands and water quality in SF Bay and its watersheds. Proposals are due May 4 and selection decisions are expected by June. The RFP anticipates up to \$5 million to support projects in the range of \$500,000 to \$2,000,000. Since 2008, EPA has awarded over \$44 million through 36 grant awards for 61 projects. These projects leveraged an additional \$153 million to restore wetlands, restore water quality, and implement green development practices that use natural hydrologic processes to treat polluted runoff.
